PATENTS

Claims and Trade-Marks obtained, and all Patent Business conducted for Moderate Fees.
Our office is Opposite U. S. Patent Office. We have no sub-agencies, all business direct, hence can transact patent business in less time and at less cost than those remote from Washington.
Send model, drawing, or photo., with description. We advise if patentable or not, free of charge. Our fee not due till patent is secured.
A book, "How to Obtain Patents," with references to actual clients in your State, county, or town, sent free. Address:

C. A. SNOW & CO.
Opposite Patent Office, Washington, D. C.

MUNN & CO'S PATENTS

After forty years' experience in the preparation of more than One Hundred Thousand applications for patents in the United States and Foreign countries, the publishers of the Scientific American continue to act as solicitors for patents, caveats, trade-marks, copyrights, etc., for the United States, and obtain patents in Canada, England, France, Germany, and all other countries. Their experience is unequalled and their facilities are unsurpassed.
Drawings and specifications prepared and filed at the Patent Office on short notice. Terms very reasonable. No charge for examination of models or drawings. Advice by mail free.
Patents obtained through Munn & Co. are noticed in the SCIENTIFIC AMERICAN, which has the largest circulation and is the most influential newspaper of its kind published in the world. The advantages of such a notice every patent holder should understand.
This large and splendidly illustrated newspaper is published WEEKLY at \$3.00 a year, and is sent to the best paper devoted to science, engineering, mechanics, and the progress of the arts. It contains the names of the inventors of every new invention patented in the U. S. and is a valuable reference work for all who are engaged in the arts and sciences.
Send for a copy on application to patent, with 10 cts. in stamps to Munn & Co., 37 N. 5th St., New York.
